Where is the payment that was promised several weeks ago? The criminal defense of this insured is being compromised by your client's delay. This is an untenable predicament created solely by your client.

Rosa,

My apologies for not getting back to you sooner, I was traveling internationally. I followed up again earlier today with the client and will reach out again tomorrow.

Liz, please provide me with an update ASAP. I have not heard from you in some time and there have been no responses to my emails. The criminal attorneys have not been paid and it is increasingly difficult to accept that this protracted delay is anything but purposeful.

Liz, following up. The promised payment has not been received. What is the update on expediting payments to catch up with the current invoices?
